

GT English
Student Contract 2018–2019

STUDENT/PARENT STATEMENT

I, [print student name] _____, on this date,
acknowledge the following:

- I agree to complete the projects listed on the summer reading sheet designated for students enrolled in GT English. I understand that failure to complete these assignments will gravely impact my grade for the first six-weeks grading period. I understand that the assignments will count as first six weeks grades and will serve as the basis for other assignments throughout the school year.
- I understand there is no substitute for the pleasure, benefits, and satisfaction of reading literature for myself. Therefore, I will not take any shortcuts by reading summaries or skipping the reading altogether.
- I value my integrity more than a good grade. Therefore, the work I turn in will be my own, demonstrating my knowledge and skills.
- I plan to take the AP English Language Exam at the end of my junior year because one of the goals of this class is to prepare me for the test.
- I know that the required summer assignments are due on the very first day I go to English class.
